# OLD DOG, New Tricks Tv Series 2025

The Old Dog: Antón (Luis Zahera) is a gruff, old-school rural veterinarian from Galicia who specialized in farm animals like cows.

Due to the decline of local farming, he loses his clients and is running out of money.

# OLD DOG, New Tricks Tv Series 2025

The New Tricks: He is forced to accept a job offer from his cheerful and modern niece, Uxía (Lucía Caraballo).

# OLD DOG, New Tricks Tv Series 2025

The Setting: The job is at Uxía's trendy, colorful pet boutique, a "fancy pet store" that caters to the wealthy city dwellers who treat their pampered pets like human children.

# OLD DOG, New Tricks Tv Series 2025

The Conflict: Antón goes from treating serious farm animal ailments to dealing with boutique pets that might have dyslexia or are otherwise heavily anthropomorphized.

# OLD DOG, New Tricks Tv Series 2025

The humor comes from his grumpy, practical, and traditional nature constantly colliding with the fast-paced, modern, and sometimes absurd world of the Coruña jet set.

## |### The Plot

The film is a sci-fi satire centered on the character of Mickey Barnes (played by Robert Pattinson), who is an "Expendable" employee on a human expedition to colonize the ice planet Niflheim.

The Job: An Expendable is essentially a disposable worker assigned to perform the most dangerous and suicidal missions.

# Mickey 17 Film 2025

The Catch: When an Expendable dies, a new clone (or "iteration") of their body is regenerated with most of their memories intact.

Mickey 17 is the seventeenth version of Mickey.

The Conflict: The central drama begins when the seventeenth iteration, Mickey 17, returns to the colony ship after being presumed dead, only to discover that a new clone, Mickey 18, has already been printed.

# Mickey 17 Film 2025

The colony's rules strictly forbid the existence of "Multiples," meaning both clones are now targeted for elimination.

The story explores themes of identity, humanity, class, and capitalism, all wrapped up in a dark, comedic sci-fi setting.
